Subject: Berlyne Award

Dear Kyung Hee,

It is my absolute delight to let you know that you have been selected as the winner of this year's Berlyne Award for outstanding scholarship by an early-career creativity/aesthetics researcher. As a longtime admirer of your work, I was thrilled to receive a strong nomination for you (by former winner Paul Silvia) and the committee was impressed with the depth and strength of your scholarly output.

As a Berlyne winner, we would like you to give an invited talk at APA about your work.

I am so happy to be able to be the one who tells you -- it is a richly deserved honor.

Very best,

James
