Kyung Hee,

I was thinking about my March conference. I wonder if you would also do a break out session on either Thursday or Friday. Then I would list you in my brochure as a featured speaker and highlight your session in the program when it came out. You wouldn't have to come up with a description at this point, just send me a picture and a paragraph bio. I know you are busy getting ready for the tenure process, and I am sorry to be asking for something from you at this busy time.
