Subject: Center reception at NAGC

The invitations to the reception the Center is hosting at NAGC went out in yesterday's mail with a few remaining going out today. If you think of someone who needs to be invited and you are not sure they are on our list, please send me their contact information so I can get one in the mail to them.

The reception will be on Nov 1, 6:30, in the Marriott Florida Salon IV.

I have put an invitation in your box here at the Center.

Dawn
