Hi, Team -

Thanks to everyone who has already jotted down a few things on our *Google* document for diversity. Just wanted to send a quick reminder that I would appreciate getting everyone's contributions by this Friday (end of day) regarding our diversity efforts.

Thanks!

Hi, Team -

I have started a *Google* document under our folder for diversity. The document is called "Diversity Report to Provost 2015". I've included headings that I know Chon and Halleran want included. I've also started to put in some text to reflect what we want to communicate in this report.

By **Friday, November 20**, will you all please jot down some thoughts on the report? If we all contribute to this, I think we'll be able to turn in something that is both comprehensive and actionable by us and the provost.

Here's the link to the *Google* doc if you need it:
