Dr. Kim:

On behalf of our entire school community, I want to thank you for presenting Scarlett School the opportunity to host the Korean educators. We thoroughly enjoyed the day and found our interactions to be delightful. We enjoyed their perspectives on American education and we welcomed the comments made specifically about our school. The financial donation as well as the other gifts were appreciated.

I loved your two interpreters, Ms. Kam and Ms. Lee. They were spirited and engaging. I truly hope that you keep them as graduate students.

If there is anything more that we can provide you, please do not hesitate to contact us.

Fondly,

BE
