Yes, I can do that.

Thank you.

Hi Dr. Kim,

I wondered if you might be able to serve as room moderator for the session of the Research Fair in which Michael Hull is presenting. This is Monday, March 24, from 9:00-10:30. It involves introducing the presenters and letting them know when their time is up.

Let me know as soon as possible whether you are able to help us out with this.

Thank you,
Lisa Walters
