**Subject:** National Curriculum Network Conference

It is planning time for the 2010 National Curriculum Network Conference (NCNC). The proposed dates are March 10-12, so please mark them on your calendar. The pre-conference workshops will be on the 10th. I need to know who among you is willing to lead a pre-conference session. If you are, please send me the title and description by the end of next week. I need to get working on the brochure and to see how many other pre-conference holes I need to fill.

Thanks,

Dawn
